

Education is Key

Educating employees about their benefits not only increases awareness, but can also increase workplace satisfaction. Let us know when you're ready to get started.

Total Benefit Communications (TBC) specializes in employee benefit communication and education services throughout the United States. Our highly qualified professionals will help you meet or exceed your enrollment goals, while ensuring employees understand their health and wellness benefits, appreciate their options, and prepare for a healthy and happy future.

Nationwide

At TBC, our hundreds of benefit professionals are located across the country, putting the right professional within hours of your requested meeting location. Utilizing our national network aids the connection between our professionals and your clients, reducing your travel expenses and allowing you the freedom to land the next sale.

Multilingual

Our national network includes hundreds of consultants who are fluent in various languages, allowing us the ability to meet your clients' language needs.

Experienced & Qualified

We offer staffing assistance for presentations, wellness events, and webinars. TBC consultants are experts in areas, including but not limited to: medical plans, health savings accounts, health reimbursement accounts, mindfulness and wellness programs, flexible spending accounts, employee assistance programs, vision, dental, and prescription benefits. With up to 30 years in the industry, our professionals bring this experience to your enrollment meetings.

Flexible

Utilizing TBC resources is a cost-effective alternative or supplement to an in-house team. We operate on a fee-based system not on retainer—and can offer initial estimates for our service.
